Dear Mr. Cruz:

It is with great pleasure that I welcome all who have gathered today to celebrate the 30th Anniversary Ball celebration of Macabebe Association of Southern California (MASCA).

MASCA has been involved in humanitarian venture for many years in your hometown of Macabebe, Pampanga in the Philippines.

The Filipino American community is an integral part of the cultural, historical and social fabric of the City of Los Angeles.

Best wishes for a most successful and memorable event.

Sincerely,
